Total Hoof Care

"Your Horse Is Worth It"

- ✓ Reduces dryness and cracking
- ✓ Unrefined ingredients used
- ✓ Antibacterial, anti inflammatory properties
- ✓ Green friendly
- ✓ Farrier friendly
- ✗ No rendered animal products (Neatsfoot Oil or Grease)
- ✗ No silicone (mineral used in the building trade to fill cracks)
- ✗ No Pine Tar Resin (Stockholm Tar - used in maritime as waterproofing agent)
- ✗ No petro- chemical processes used

The hoof is a vital structure of the horse's anatomy. It is subjected to rigorous strain on a daily basis when in work.

Environmental conditions impact upon the overall soundness and general health of the hoof. Using these products is a holistic approach to total hoof care:

- ✓ Creates a protective barrier that promotes healing of the hoof structure.
- ✓ Re- hydrates the hoof to prevent cracking and dryness.
- ✓ Has a high antioxidant potency that assists to fight disease.
- ✓ Moisturises internal and external hoof structure.
- ✓ Assists regeneration of healthy hoof tissue
- ✓ Keeps the hoof supple, smooth and elastic.
- ✓ Reduces brittleness
- ✓ Absorbs readily
- ✓ No greasy feel
